

JEAN SHY & THE SHY GUYS

The Blues Got Soul

In conjunction with this CD JEAN SHY received a 2009 Blues Music Award nomination in the category of "Soul Blues Female Artist of The Year."

The European Press glorifies her with headlines like "The Queen Of The Night," "Golden Throat," "The Blues-Pipe," "The Voice Of The Lord," "The Roarer," "Dynamite Stick," and many more.

The Lady they are talking about is internationally acclaimed Rhythm & Blues Singer, Songwriter, Producer, and Actress JEAN SHY. Born in Chicago, her vocal Background had its beginning in Gospel Music. Jean is definitely a multi-talented Artist, and audiences are overwhelmed by her powerful vocal delivery.

At the age of twelve Jean was signed by Leonard and Phil Chess to the legendary Chess Label in Chicago. The release of her original composition "Spring Fever" recorded by Tim & Jean became a Regional Hit. Just before leaving High School Jean was signed by Carl Davis for Brunswick Records. With various regional Record successes, she toured as an Opening-Act in the "Chitlin Circuit" with Otis Leavill, Tyrone Davis, Barbara Acklin, The Chi-Lites, The O'Jays, Al Green, The Stylistics, Jackie Wilson, Curtis Mayfield, and Gene Chandler, gathering a tremendous amount of Stage Experience. Releases with Playboy-, Honey-, Fantasy Records, and No 9 & No 13 Billboard Hits "Night Dancer," and "That Old Black Magic", produced by Bob Esty, with Robert Stigwood's R.S.O. Records followed. Night Dancer also became one of the Soundtracks in the Movie Roller Boogie starring Linda Blair.

After her success in the US Jean branched out and went to Europe, making Germany her second home in 1980. There she formed her own Band "The Shy Guys," with which she has been performing for thousands of Fans at major Festivals, Concert Halls, and Churches throughout Europe for more than twenty Years.

The Blues Got Soul is a compilation of some of the hottest Rhythm & Blues/Blues Rock material recorded on Jean Shy and her German Band "The Shy Guys," which was partially, performed "Live" at an Open Air Concert in Duisburg, Germany.

This classic CD is a timeless work of art, which consists of original compositions, and covers performed in Jean Shy & The Shy Guys' own unique style. The Blues Got Soul includes Songs that many of their Fans identify Shy, and her Shy Guys with, some of which have become their Trademark at live concerts for Years. I.e. the original composition "One Day," talks about the search of Peace, Love & Understanding. Shy wrote it, after seeing many homeless people living in cardboard boxes, on Streets in downtown Los Angeles. The Ray Charles / Joe Cocker Classic "Unchain My Heart" has been a much-requested Song at Jean Shy concerts over the years. Their rocking version of Muddy Waters' "Rock Me," and last, but not least "Amazing Grace," which is almost celebrated like a "national anthem," has to be included in every show!

Jean Shy is a brilliant, and "one of a kind" Artist. A critique once described Jean's performance as follows: Jean Shy has the conciseness of a Tina Turner, the vivid Northern-Soul feeling of a Van Morrison, the expressiveness of an Etta James, and she convinces above all with one thing "honesty."
